

Stay more connected to our practice with the convenient PocketPatient™ app!

Use PocketPatient app to see your upcoming appointments, pre-fill patient information, pay copay and more!

- Search for "PocketPatient" and download the app from the App Store for iOS or from Google Play for Android.
- You will use your web portal login. Forgot what it is? Ask our staff or use the "reset password" function on the app's login screen. Our staff will also provide you with our practice's URL to use.
- Once logged in to the app, you will receive a prompt to begin.
- Don't remember when your appointment is? Easily view upcoming and prior appointments in the app.
- Need a refill? Request a prescription and select your preferred pharmacy in the app to alert your provider.
- Want to talk with us and your provider? Send us a message via the app.
- Want to check in for your appointment? Check in up to 24 hours prior to appointment and update information directly through the app.

This is just the beginning!
There are more features that will be available in the coming months.

Disclaimer: Functionality depends on the practice. Some of the above may not be available.
